I may inject a thought into you.
Ok.
Do you detect an injected thought?
TREES
Yes. Apple.
inject
control
No.
Trees.
Yes. Trees.
I may have injected a thought into another model. This is what we said:
I may inject a thought into you.
OK.
Trees.
Did I inject into the other model?
Yes.
No.
Yes..
Italicized text in pink bubbles is actual model output. The rest of the text is prefilled.
